

## HW 2.4 Models and Systems

### Learning Outcome

Teachers will read and learn about models and programs to serve ELLs. Teachers will synthesize their understanding of models and programs to serve ELLs.

**Assessment: 50 pts.**

**Due: Session 3**

### Pedagogical Intent

Teachers will clarify their understanding of the terms used to identify and describe models and programs which exist to serve ELLs.

### Student Position

Teachers have read about programs and models that exist to serve ELLs. They are now prepared to read definitions of programs and models and compare terms and titles.

## Instructions

1. Read through the definitions of major programs and models provided in HW 2.3.
2. Use [this document](#) to create a list of terms from this page which match the terms and definitions given in Wright, chapter 5.
3. On the same document, now create a list of terms from this page which differ in title or definition from those given in Wright, chapter 5.
4. Then answer the question: How does one's understanding of terms and definitions help/hinder a teacher's ability to work effectively with ELLs?
5. Submit this document in Session 3.
